

NEW YORK POLICE REPORT

A New York City Police Department observation report dated August 4, 1975, contains observations made by Police Officer Adrian Mazzei, #29809.

At approximately 1255 hours, the officer observed Frank Sheeran entering the premises. He was in the company of a white male, 45-50 years old, 5'10" tall, light brown hair, 180-185 pounds. He was wearing a light blue short sleeved shirt and dark trousers. They proceeded to sit next to the officer. Danny was observed walking over to Frank and his companion. As they exchanged greetings the male was introduced to Danny as "Charley" by Frank. Frank then went on to ask if "Russ was in." Danny replied that "Russ was in the dining room." As they went on to converse Frank told Danny that he had been in Buffalo for two weeks. Danny went on to ask Frank about his family. Frank told Danny that everybody was fine.

As Frank Sheeran and Charley was seated at the bar conversing the officer noted that Charley has a tattoo on his left upper arm and a tattoo of what appeared to be a small cross by his left index finger and thumb. Frank Sheeran was wearing a yellow metal coin ring, (the coin is surrounded by what appeared to be small diamonds) on his left hand, and a yellow metal watch; the face of the watch is square and surrounded by small diamonds.

A few minutes after Johnny Francis had entered the dining room, he returned to the bar and joined Frank Sheeran and Charley. At one point as they conversed, the name of "Jimmy" was

overheard being mentioned by Frank. He was overheard to tell Mr. Francis that the FBI had entered the investigation because of the extortion letter which was received by a friend of Jimmy's. As they continued on talking, Frank told Francis that he was not in Detroit when he disappeared. Several times their conversation turned to a low tone and the officer was unable to intercept.
